Volleyball

Coach: Alicia Fine

Opponent: Cambridge @ Home

The girls volleyball team was on fire breaking Cambridge's 6-0 record of this year, and 14-0 record of last year. In five matches the lady tornados edged out Cambridge. Seniors Evelyn Lopez, Kristina Dyer and Thanh Nguyen are credited with fantastic blocks and attacks, and Co-Captains Laura Botero and Jillann Ceplinskas raised the level of the game with their excellent leadership. Cynthia Antenor had some unbelievable blocks, and Junior Monika Bashilari was consistent in 'hitting' and 'attacking' points for the win. One would be remiss not to mention the constant and consistent effort of Barbara Santos, who manages to always be in the right place at the right time for her team.
